

# What is Your Heart?

Color and name some of the parts of the heart.

## Word Bank

*Left Ventricle*

*Right Ventricle*

*Right Atrium*

*Aorta*

*Left Atrium*

# Awesome Anatomy

## The Heart

### Instructions

#### Day 1 (Minimum Requirement)

Use a pencil and Label the different parts of the heart. Be sure to write neatly and spell each area correctly.

---

#### Day 2 (Minimum Requirement)

Use crayons to color in the different areas of the heart. Use red to represent areas of the heart where blood receives or has oxygen. Use purple to represent the areas where blood needs or has no oxygen.
